WORK EXPERIENCE

Frontend Web Developer Intern at WEBREXO (Onsite)

March 2024 to June 2024 (4 months)

Developed and maintained responsive websites using HTML, CSS, Bootstrap, and JavaScript. Collaborated with the design team to implement user-friendly interfaces and ensure cross-browser compatibility.

Multifaceted Web Developer & Designer at BlockAstro (remote)

June 2024 to Present

Handled frontend website development using HTML, CSS, Bootstrap, and JavaScript. Designed graphics and layouts using Canva, managed WordPress sites, and performed social media tasks on Telegram and Twitter. Undertook various other small tasks as needed to support the team.

Freelance Web Developer & Designer

Completed various frontend and WordPress projects for clients through personal connections and social media platforms. Developed responsive websites using HTML, CSS, Bootstrap, and JavaScript. Designed layouts and graphics with Canva and customized WordPress themes to meet client requirements.
